# Summerside Yacht Club Racing Rules - 2006

1. All races will be sailed in conjunction with the Racing Rules of Sailing as prescribed by CYA.
2. There will be weekly races on Monday and Wednesday Evenings. Race starting sequence will begin at 18:25, race start 18:30. Race start time may be adjusted later in the season to take advantage of daylight.
3. Monday evening racing will commence on the first Monday in June. No spinnakers are permitted on Monday night races. Spinnaker or whisker poles will be allowed to hold the jib outboard.
4. Wednesday evening racing will commence following the first Monday in June. Spinnakers may be used on Wednesday night races.
5. Reverse Courses will be indicated by code flag ZULU plus the course flag.
6. All racers are encouraged to join the NStYA and participate in NStYA events. Racers may participate but will not be scored in NStYA events unless they are members. NStYA sanctioned races hosted by SYC are Shediac Summerside, Centennial Cup & Greenshore Race. In addition SYC holds the non sanctioned Spring Thaw Regatta, and Bridge Race.
7. All boats that are racing shall have a VHF radio and monitor Channel 68.
8. All races will finish before 23:00 hours; any boats finishing after this time will be DSQ. In light wind conditions the fleet captain will make the decision to shorten the course.
9. A vessel's best 10 races will count toward its season points total in each of the Monday night and Wednesday night series. The NStYA point scoring system will be used for each series.
10. Protests must be delivered in written form to the Fleet Captain no later than 30 minutes after the last boat finishes. (Modification of rule 61.3)

11. Starting Signals: (Modification of rule 26)
  - a. Yellow up 5 minute warning
  - b. Blue up 4 minute preparatory
  - c. Blue down 1 minute pre start
  - d. Red up (Horn) Race Start
12. Start line: Between yard arm pole and DE18. (Sighted from east side of Pole)
13. The one minute Rule is in effect and Boats should consider that the I flag is flown. Boats on the course side of the line or its extensions during the minute before the race start shall sail from the course side across an extension of the line to the pre-start side before starting. (Round-an-end mark)
14. Engines must be turned off 1 minute prior to Race Start. Boats in breach of this rule may start after completing a penalty turn. If in breach of this and the one minute rule they may start after taking a penalty turn and rounding an end mark without interfering with other boats.
15. All boats must radio Silver Fox Staff on Channel 68 in advance of their approach the finish line to ensure that times are taken.
